Students get the key for their room as well as the cupboard of the room. They must keep the key safe and not lose it. Students generally don't need to use the mosquito nets or anything like that as there isn't a major insect problem in the hostels. The fans in the rooms are controlled using remotes and students should collect the remote from the Hostel Office. The students can dry their washed clothes in the balcony using ropes. If the students have to leave the campus for any reason and are going to spend one or more nights outside the college campus they have to make the entry in the register kept at the front desk. The students get their mess cards from the hostel office using which they can avail the dining services. There are also various posts in the hostels which are occupied by the students of the hostels such as the hostel incharge, the cultural and sports incharge etc and the students can contact them to address their concerns and needs.

&&

#### Dining:

The Institute mandates every hostel resident to dine in our Central Dining Facility (Mess). All the students from hostels will have their food in the Central Dining facility. The unique aspect of I I T Indore is that Dining, Academic Pods, and the Learning Resource Center (Library) are all clubbed together and students can just take a stroll from one building to another. The Central Dining facility is equipped with kitchens to cater to 2700 diners at any point of time. There is a Students' Dining Committee comprising students who decide the menu and maintains the check on the hygiene, quality and taste of the foods served. This committee reports to the Dining Warden who is in charge of the Central Dining Facility. Quality of food is maintained by taking frequent feedback and addressing complaints. Other than regular dining services, the Central Dining Hall also houses several food kiosks, grocery needs and electronic shops. Night canteen is also available based on the needs and requirements of the students.

&&

There are 3 caterers available to the students, which are Kanaka, K-Star and Gauri. At first the incoming fresher students will be allotted Kstar but the students have to fill a google form each month to select a caterer for that month. The students get the caterers on first come first serve basis. The menu is decided by the students of the Dining committee each month as per the feedback of the students. There are specified timings of the mess: Breakfast from 7:30 am to 10 am, Lunch from 12 30 pm to 2 pm, High tea from 4 30 pm to 6 30 pm, Dinner from 8 pm to 10 pm. The menu for this month is available on your email. The students get mess cards from the hostel office which is then stamped with the assigned caterer which you have to submit in the allotted caterer. The food here is pretty good and people usually don't have complaints. Jain food is also available at separate counters which doesn't contain onion , garlic , potato and is cooked as per the Jain dietary requirements. The students can also get Chicken curry by paying 60 rupees . Chicken curry is available around 5 times a week and this depends from caterer to caterer. Other special dishes may also be served by the caterers on chargeable basis.

Counseling Cell I I T Indore deals with the Mental Health and Awareness for the entire campus. University life can be fun and fulfilling, providing the students various opportunities to acquire new skills and knowledge, and develop their character. This is an important milestone before they join the workforce and launch their career. However, adjusting to a new environment away from home and managing academic and personal demands may induce high levels of stress and anxiety. Confiding in family or friends is a good coping strategy but if the issues being faced by a student persist over a long period of time, it may be imperative to seek professional help. I I T-Indore has a Student Counselling Centre in place that offers supportive and conducive environment for a student wherein he/she can discuss personal issues or academic challenges and seek help from a professional counsellor. The counsellor Ms. Monika Gupta (M.Phil, Clinical Psychology, NIMHANS, and Bangalore) is available to provide help and support for students from diverse religious, cultural and ethnic backgrounds.

The role of a counsellor is to offer support to the students to deal with a wide range of concerns -be it academic, personal, emotional, family or peer related. Counsellor meets students and their parents as and when needed. Parents and teachers can also approach counsellor over issues pertaining to a young person in their care.

With the support of the students, parents, other departments and services at I I T Indore, counselling center has been able to effectively meet the needs of students and wishes to continue working for the same.

To make an appointment with the counsellor, please contact Ms. Monika Gupta at 07324-306511 (O) or counsellor[at]iiti.ac.in (Email).

In keeping with India's vision to become a world leader in Science and Technology and to usher in a new

revolution, resulting in an unprecedented economic growth, Government of India reassessed the need of technical manpower and decided to set up eight new IIT's. Six of them started functioning back from the academic year 2008-09. These were established at Hyderabad, Gandhinagar, Rajasthan, Ropar, Patna and Bhubaneswar. IIT Indore and IIT Mandi started functioning from July 2009.

Indian Institute of Technology Indore located in Madhya Pradesh, known as IIT Indore or IITI, is an institute of national importance established by the Government of India in 2009. It is one of the eight new IIT's, started by the Ministry of Education, Government of India. The institution started functioning from 2009-10 in a temporary campus at Institute of Engineering and Technology of Devi Ahilya University under mentorship of IIT Bombay. Shri Arjun Singh, the Union HRD minister, laid the foundation of the permanent campus, spread over an area of around 501.42-acre (2.1 km<sup>2</sup>), on 17th February 2009 at Simrol, a location on Khandwa Road about 25 km from the city of Indore.

Since , February 2016, IIT Indore has started functioning from its permanent campus. All the Administrative Offices, Material Management Section, Finance and Account Section, The School of Basic Sciences, The School of Humanities and Social Sciences, The School of Engineering, Basic Science Labs and Engineering Labs are all established in this campus. The Central Library is also situated in this campus.

The Academic office is responsible for all the academic affairs of the students of the Institute. There is a Dean of Academic Affairs, two Associate Dean (Academic), an Administrative Officer, a Manager and three Deputy Manager in this office besides some contractual employees.

The Health Centre of the Indian Institute of Technology Indore provides dedicated health services to the institute community comprising of students, employees, their dependents and Institute Guests. The Health Centre offers Outpatient, Day care, Trauma and Emergency Care. The health centre is near the lecture hall, you can call an Electric Vehicle for going to the health centre.

Contact health centre: 07316603187 (Emergency Section) 07316603571 (OPD Section) 7509062832 ( Ambulance)

Kendriya Vidyalaya IIT Indore, located on the IIT Indore campus, offers quality CBSE education to students, focusing on academic excellence and holistic development. It provides modern facilities and a balanced environment for learning and growth.

**Guidelines and Rules for Dining** All residents of Hostels, henceforth termed as resident(s), are required to join the mess from the date of their registration as students and allowed to stay in the Hostels. Residents are required to pay the mess charges, on a monthly basis, in advance, to the Caterer. The month will be considered from the 1st day to the last day of the month. Residents are free to choose any of the caterers, if more than one caterer is operating. Residents would be able to change the caterer only once in a month, with intimation to both the parties, through the dining committee. The intimation is to be done by 25th of the month and joining of new caterer will take effect from the 1st day of the following month. No one is allowed to take meal to the room, except sick resident with sick food only. Sick residents should provide the photocopy of Health Centre prescription. Packing charges for the same will be payable by the sick resident. Weekly/ Fortnightly menu will be prepared by the Dining Committee in consultation with the Caterer. Mess timings will have to be strictly adhered to by all the residents. Mess system for residents of JC Bose would be considered similar to staff/ faculty. Residents are to follow the dining guidelines as promulgated by the Institute from time to time. Mess rebate will be provided as per the rules attached in Annexure 1. Residents found violating any of the above-mentioned rules will be fined a penalty of 500/- and the same will be deposited in the Institute account.

FLUXUS 10.0 Fluxus, I I T Indore's annual techno-cultural fest, proudly wears the crown of "Central India's Biggest and Most Anticipated Event". Fluxus flaunts guest appearances from Bollywood artists and stand-up comedians like Farhan Akhtar, Sunidhi Chauhan, Shirley Setia, Amit Trivedi, Salim - Sulaiman and Zakir Khan while providing an excellent stage for new and upcoming artists like The Local Train. We are now back with the Tenth Edition of Fluxus, which will be Bigger, Brighter and Better than ever! With preparations in full swing, there is little doubt that this year's Fluxus will be its most unforgettable edition yet. A TRIP TO GAMINGTON SQUARE For this edition of Fluxus, we celebrate games, the highlight of our childhood. We take a Trip to the Gamington Square, where we rejoice and celebrate the nostalgia and fun that games brought us, from e-Sports to Retro Games. Delve with us into the past and we'll evolve to the present and beyond. The main artist was YO YO HONEY SINGH

&&

Ingenium is the first edition of a tech fest in Fluxus, I I T Indore. Our vision is to level-up the idea of what a "tech fest" means! We have various online and offline competitions with thousands of students and enthusiasts taking part. Workshops, Technical exhibitions, Tech Talks, Start up Expo, Research and Industry Conclave, Online hackathons, Real life hardware problems, and a lot more we plan to Achieve in the future

&&

LAKSHYA, the ultimate organised sports fest in central India by I I T Indore with the theme "Ignite the Spirit", comprises several sports events, including Football, volleyball, Basketball, Cricket, Table Tennis, and many more. Sponsorships from world-renowned sports organizations like Redbull, Decathlon, and many others significantly elevate its popularity to new heights. It is a nationwide organised event where teams from colleges across the nation participate enthusiastically.

&&

The Programming Club aims to develop a positive programming culture in the I I T Indore community. We try our best to help students explore all programming disciplines and choose what they like the most. We organize workshops, provide mentorship, share resources, and arrange alumni talks to aid their journey. For students to gain experience by working on real-life projects, we take on good projects and organise various events and hackathons by collaborating with institutes, professors, clubs and industries. Most importantly, we stand by our motto, by enabling students to unlock their true potential and become their best selves.

&&

the hostels at I I T Indore are a luxury. There are 5 floors, each having around 20 5-bedroom flats. The

flats are spacious and each one houses 5 students, one in each room i.e. there is single occupancy. The hostel has been strategically constructed to provide each room with a window and each flat with a balcony. Plus, we have a common living room where all the flatmates can sit and chat.

&&

The Computer and Information Technology Center is solely responsible for keeping the Information and Communication Technology & Computation related facilities available to each and every member of I I T Indore.

&&

These facilities are constantly upgraded to meet the evolving standards of I I T. The Computer Labs remain open for twelve hours (8:00 AM to 8:00PM) in a day and the students visit the labs for their general and routine computing tasks. Many departments use the facilities of the Computer Lab to conduct their practical classes & examinations. The campus LAN will be extending to all the hostels and residences. New hardware and software are procured on a regular basis so as to provide a state of the art computing facility to the I I T Indore family.

&&

The Centre Is also engaged in designing and facilitates the NKN Project with NIC in the Simrol Campus. National Knowledge Network (NKN) project is aimed at establishing a strong and robust internal Indian network which will be capable of providing secure and reliable connectivity. Using NKN, all vibrant institutions with vision and passion will be able to transcend space and time limitations in accessing information and knowledge and derive the associated benefits for themselves and for the society towards ushering in a knowledge revolution in the country. NKN is intended to connect all the knowledge and research institutions in the country using high bandwidth / low latency network.

&&

Indore lies on a borderline between a humid subtropical climate and a tropical savanna climate. Because of its high elevation and inland location even during the hottest months the nights are relatively cool. Three distinct seasons are observed: summer, monsoon and winter. Indore gets moderate rainfall of 700 to 800 millimeters (28 to 31 in) during June–September.

&&

The greatest advantage of learning in I I T I is that every faculty takes the inputs from his/her research and tries to impart them into teaching. So the students will get to know cutting edge research activities and also can participate in minor projects in coordination with a Professor. Through this way, you will also get to work with research students of the Institute and you can access world-class research facilities of the Institute.

&&

Library@IIT Indore, known as Learning Resource Center, is a 4-storey building with several books,

I I T Indore is a residential Institute that mandates students of all teaching programs to stay in the Hostels. This is a home away from home where students develop lifelong relationships, camaraderie, and wonderful experiences that give them a different kind of grooming. Many of our alumni inform us that it is in these hostels where they learned life skills that are taking them a long way. At the moment, I I T Indore has six hostels, out of which one is reserved for female residents and other for married students. All hostels are located close to each other, lie amidst the flora and fauna of the campus and have adjacent playgrounds which are always buzzing with physical activity. These are also close to the Academic Pods, which houses all research and undergraduate labs, the backbone of this Institute.

All the Hostels are collectively headed by the Chief Warden, who is assisted by a Superintendent and Junior Assistant. Each Hostel is being monitored by a Warden, ably assisted by a Supervisor. In addition, we also have JC Bose Hostel, which houses married research students and staff members.

I I T Indore is the best for placements.

Placements: Since it is an I I T it has a top-notch placements in the previous year. The average salary package offered is 24 LPA for CSE branch. In mechanical engineering, the minimum salary package offered is 13.45 LPA. Our college placements are very good.

Infrastructure: Hostels are the main site of attraction for I I T Indore as everyone is allotted a single room. But earlier they use to have only 5 rooms in a flat but now the number is going to be increased to 6 which will make those flat, more suffocating as flats are not big enough to accommodate 6 students. Still in its building face as it is a new I I T so students cannot compare infrastructure with old I I T's.

Main infrastructure includes:

1. Hall of Residence
2. POD Buildings
3. Abhinandan Bhawan
4. Learning Resource Centre
5. Central Workshop
6. CITC Building
7. Takshila Lecture Hall Complex
8. Nalanda Auditorium

9. Health Centre
10. Kendriya Vidyalaya

Faculty: Faculty members mainly teach the English language and they are well qualified and they have knowledge but the point is they are not able to explain the topics very clearly as compared to private colleges which makes the students learn on their own. Passing semester exam is difficult in this colleges and papers are very tough
